Maximum Grant:

The maximum grant amount an applicant may receive is **\$500**.

Applicants can only receive one grant per program year **(10/01/2026 – 9/30/2027)**

Grant awards are based on need and each family's circumstances are different. Grant amounts are determined on a case-by-case basis.

If a customer's utility service is off or in threat of termination when they apply and the maximum grant amount will not restore service or stop termination, the application will be denied.
