4. Financial And Credit Requirements

AEP Ohio will assess the financial risks to determine the appropriate collateral required, if any. Collateral may be reassessed at any time based on a change in financial risks. Please refer to the Company's Retail Tariff for additional information. Provide the following information for the applicant or its guarantor (if applicable):

a) Most recent year of audited financial statements (balance sheet, income statement, and cash flow statement) or SEC Form 10-K. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, it shall file audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns (with social security numbers and account numbers redacted). If this is applicant's first year in business then the applicant can provide two years of forecasted financial statements (balance sheet, income statement, and cash flow statement), along with a list of assumptions, and the name, address, email address, and telephone number of the preparer. The forecast should be in an annualized format for the two years succeeding the Application year.

b) Most recent quarterly unaudited financial statements or monthly financial information (including a balance sheet, income statement, and cash flow statement) accompanied by an attestation by Applicant's Chief Financial Officer that the information submitted is true, correct and a fair representation of Applicant's financial condition or most recent SEC Form 10-Q.
